COMPONENT 50

[illumination]	high-performance LED
[operating temperature]	+5°C to +40°C
[dimensions (LxWxH)] without plug and cable	
Dome	388 mm x 330 mm x typ. 348 mm
19" LED controller unit	680 mm x 483 mm x 90 mm
[weight]	
Dome	9,3 kg
19" LED controller unit	6,8 kg
[dome inner diameter]	300 mm
[working distance:] objective <-> inspection level	typ. 158 mm
bottom edge <-> inspection level	typ. 10 mm
[Ø measuring field/scan width]	up to 50 mm (application specific)
[power supply]	230 V

surface inspection of static parts

[camera type]	area camera
